A note about Jerry Cook.

When Jerry first contacted me I thought he was a little on the far side, but I listened. Within about fifteen minutes I knew that God was using him to teach about the spiritual meanings of the words God used in the Bible. Satan has since pushed Jerry too far by spiritualizing away, too much, even the virgin birth of Christ.

Jerry is placing William Miller's *Rules of Interpretation* on a higher plane than the instruction God gave to his church, through visions given to Ellen. Jerry is claiming that if any event, of which the Bible speaks, defies the laws of nature, that event is not a literal one, but a spiritual message that needs to be understood.

This position that Jerry has taken, makes a spiritual message out of all miracles in the Bible, as opposed to any literal miracle. Using other words, because a miracle defies the laws of nature it is not a literal miracle, it is a representation of some spiritual message. This is called "spiritualizing away" our faith.

In Ellen's day some were spiritualizing away even the second coming of Christ. Jerry will be there shortly. He has just told us that he has gone through the time of trouble such as never was, the time of Jacob's trouble. The plagues are now falling, and, to read and study the Advent Sabbath-keepers message is to receive the mark of the beast.

Here are some excerpts from his emails to me.

~~~BEGIN~~~

May 5, 2014

We are all going through what Jacob had to go through in Gen 32. The greatest trial of our lives.

May 12, 2014

I always wondered why we first went through the Adventist pioneer writings, when they were using the crooked ways. We were going through Jacobs time of trouble.

May 27, 2014

I agree, the whole advent movement was not of Satan. It was guided and directed from the workings of the Holy Spirit. Also I believe that the pioneers writings on the spirit of prophecy were the workings of the Holy Spirit. "For at first she [Holy Spirit] will walk with him by crooked ways," In other words there will be "evil fruit" on the tree. The pioneers writings have "evil fruit" on the tree. This is evident in the use of the counterfeit in the beginning of their writings

and even Ellen saying that the KJV is “not the true version” in R & H.

The Counterfeit is the Mark of the Beast, it is an image of true worship. We left that form of worship when we left the church. That form of worship is an abomination to the Lord. It is “his name[mark of the beast] and the Fathers name[Truth] written in our foreheads.” I want only my Father’s name written in my forehead. For I know it is His will for His children.

Ellen White PREPARED the way, just like John the Baptist. She was in the wilderness/desert[Counterfeit] just like John the Baptist. She is not the way, just like John the Baptist was not the way, she prepared the way, she was used by the Holy Ghost to prepare the way. She ate[read] locusts[Counterfeit] and wild honey[truth] just like John the Baptist.

The pioneers writings have gravel mixed in. It’s kind of like a few grains of sand in asparagus. It’s hard plowing and takes the enjoyment out of studying their writings. The gravel is the counterfeit and it’s in their writings.

What about the tree of life....

Why would the Lord need literal cherubims and a literal flaming sword in the east of eden, to guard the way to a literal tree of life? You would think that they could have come in from the west or north or south? What is so special about the literal fruit of the tree of life that God has to have cherubims & a flaming sword to guard it?

Personally I have yet to experience in nature, any kind fruit of any tree that can make me “wise” and live forever. Or any literal fruit of any tree that will give me knowledge of Evil? Please explain to me how literal fruit from a literal tree can give me evil knowledge? I have a literal orchard, and I never expect to gain knowledge of good or evil when I pick and eat of that fruit. Nature teaches me that it is actually food for my stomach and has nothing to do with some form of knowledge. It seems more to me like fantasy to make Genesis 3 out to be literal.

Genesis 3 has to make good sense and do no violence to the simple laws of nature. When I read Genesis 3 literally it does not make good sense and it does do violence to the simple laws of nature.

**LET ME MAKE SURE THIS IS CLEAR: IF YOU CONTINUE TO READ ANY OF JAMES & ELLEN WHITE’S WRITINGS, JOSEPH BATES, &C. YOU WILL HAVE TAKEN THE MARK OF THE BEAST AND YOU WILL NEVER RECEIVE THE SEAL OF GOD IN YOUR MINDS. GOD IS NOT THE AUTHOR CONFUSION! THEY HAVE WITHIN THEIR WRITINGS, THE BREAD OF WICKENESS, THE BREAD OF DECEIT, THE BENT BOW, THE TABLE OF VOMIT & FILTHINESS, THE SOUR GRAPE, THE TREE OF KNOWLEDGE OF GOOD & EVIL, THE FIERY SERPENT, THE FURBISHED SWORD IN THE HAND OF THE SLAYER(KING OF BABYLON), THE DEFILED BREAD, THE BREAD OF IDLENESS, THE OTHER SCRIPTURES, THE LESSER LIGHT(MOON), THE BREASTS OF THE STRANGE WOMAN, THE DESPISED LAMP, THE EXTINGUISHED CANDLE, THE SPOILED PASTURE, THE**

The Plagues of Revelation are being poured out upon you and you know it not....

I tried the spirit of James & Ellen White, and I found the spirit of truth mixed with the spirit of error.

1 Corinthians 10:21 Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils. James & Ellen White did and accepted the mark of the beast.

Sadly... I do not expect to see James & Ellen White in heaven, they were so close.

I have proven to you earlier this spring that the pioneers' Present Truth is not proven. I proved it to be the counterfeit.

And James & Ellen Whites writings have madness in them. If you want to partake of her madness, drink of her cup.
